

Position: Class Teacher

Responsible to: The Principal

About Us:

At Kanha Global School we seek to provide an environment which is guided by excellence: for students, for teachers and for our administration team. We have high expectations of our students and staff, while offering an environment designed to help you thrive. If you would like to have access to high-quality training and structured professional opportunities, and you are willing to offer your proven skills, hard work and team spirit, Kanha Global School could be the place for you.

Kanha Global school is looking for an enthusiastic and experienced Teacher who is committed to providing high quality of education for all learners. The successful applicant will ensure an excellent standard of physical, emotional, social, and intellectual care for children placed in their care. At Kanha Global School we base our learning on the Cambridge curriculum providing our children with a safe, secure, and happy environment, which allows the children to experience, explore and develop a positive approach to learning through a play-based curriculum. We believe that it is through play and positive, secure relationships that children develop intellectually, creatively, physically, socially, and emotionally.
